Last time buy TH71111ENE-BAA-000-RE and TH71111ENE-BAA-000-TR

Dear,

We regret having to inform you that Melexis intends to stop production of products TH71111ENE-BAA-000-RE and TH71111ENE-BAA-000-TR because of low demand.

As a replacement product, we recommend one of our latest RF receiver products instead, for example the MLX71121: <http://melexis.com/General/General/MLX71121-608.aspx>.

To aid this transition, Melexis will still accept regular orders for TH71111ENE-BAA-000-xx till **31-Dec-2014**. At this date latest we accept a final all-time buy order for delivery within the following 9 months. Hence, we are providing you a one-year transition period.

The delivery of your Last-Time-Buy order will be possible till **30-Sep-2015**. This order will be non-cancelable and non-returnable. The current unit price, payment terms and shipment terms remain applicable.

For logistical follow-up and assistance with your orders, please contact your Customer Relations Responsible.

Yours sincerely,
